DESCRIPTION

Halls are delighted to offer The Oaks in Lightwood Green for sale by Public Auction

The Oaks is a detached traditional cottage offering an increasingly rare opportunity to acquire a rural property requiring comprehensive modernisation and improvement. The accommodation extends to approximately 1,106 sq ft and provides a useful existing layout with two principal reception rooms, kitchen and further reception space to the ground floor, together with three bedrooms and a bathroom on the first floor.

Of particular note is the extent of the property, with gardens and land extending in all to approximately 1.84 acres. The grounds provide considerable outside space together with a range of existing outbuildings and offer an excellent opportunity for a purchaser to restore and improve the cottage and its surroundings to their own requirements.

SITUATION

The Oaks occupies a pleasant position within the rural hamlet of Lightwood Green, which nestles against a backdrop of the rolling landscape of the England/Wales border and broadly equidistant between the villages of Penley and Overton-On-Dee which, between them, provide a range of day-to-day amenities, including Schools, Medical Facilities, Public Houses, and a range of independent Stores.

The nearby lakeland town of Ellesmere provides a wider range of amenities, with the county centres of Wrexham and Shrewsbury both accessible by car in around 30 minutes or under.

SCHOOLING

The area is served by a choice of primary and secondary schooling within Penley and the surrounding towns and villages. A wider selection of state and independent schools is available in Ellesmere, Whitchurch, Wrexham, Oswestry and Chester.

DIRECTIONS

Leave Ellesmere via the A528 in the direction of Overton-On-Dee, turning right after around 2.5 miles onto Redhall Lane. At the conclusion of Redhall Lane, turn left and continue for a further 0.8 miles where the property will be situated on the right, identified by a Halls "For Sale" board.

THE PROPERTY

The cottage is of traditional brick construction beneath a pitched slate roof and retains the proportions and character associated with a property of its period. Internally, the accommodation now requires a comprehensive programme of renovation, providing an opportunity for a purchaser to modernise the property throughout.

The ground floor is arranged around a central reception area, with a well-proportioned living room and separate dining room providing the principal reception accommodation. A kitchen extends across the rear of the house, whilst an additional reception area offers further flexibility within the existing layout.

A staircase rises to the first floor where a central landing serves three bedrooms and the bathroom. The bedrooms enjoy views across the surrounding grounds and countryside

Whilst substantial improvement is required, the existing accommodation provides a straightforward basis from which to create an attractive country home, with potential for further alteration or extension subject to all necessary planning and other consents.

LAND & GARDENS

The grounds are an important feature of The Oaks and extend to approximately 1.84 acres in all. The land surrounds and extends away from the cottage, comprising former garden areas and more open sections enclosed principally by mature hedgerows and established trees.

There is ample space for parking and the grounds offer considerable scope for landscaping, the creation of more formal gardens or other amenity uses appropriate to the property.
