49 Queensway Heald Green SK8 3ET

Offers Over £395,000

Available with no onward chain, this corner-sited semi-detached house has been extended to the rear and to the side: The rear section of the garage could well suit conversion into additional accommodation, subject to the necessary regulations being met.

The house is located on the corner of Queensway and Helston Grove, just a short distance from the amenities of Heald Green Village, excellent transport connections and popular schools for all age groups.

An entrance hallway leads to a spacious living room with bay window. Sliding doors open to an extended dining room which has PVCU double-glazed sliding doors to the garden. There is a fitted kitchen with integrated fridge, freezer and dishwasher. A door leads into the large attached garage which has an electric roller door to the rear driveway. The front section of the garage has already been converted into an office.

To the first floor is a landing with access to the loft space. The principal bedroom is a good double room which has fitted bedroom furniture. There is a second double bedroom and a single bedroom/study. A shower room/WC completes the accommodation.

There are lawned gardens to the front and side of the property, with an enclosed paved garden to the rear. A large tarmac driveway provides off road parking space.

This is a well-located home with huge potential: An internal inspection is essential in order to fully appreciate all that is on offer here.
