INTRODUCTION

An exceptional and highly individual family home offering generous, beautifully presented accommodation with a versatile layout ideally suited to modern family life. Internally, the property provides a choice of reception rooms together with a superb kitchen featuring marble work surfaces, a central island and breakfast bar, flowing naturally into the dining area and sitting room. A sizeable utility room adds further practicality, while the bedroom accommodation is equally impressive, with the principal suite benefiting from its own dressing area and en-suite.

The southerly facing rear garden is a particular highlight, with an expansive lawn, various patio areas, composite decking with garden office, a private hot tub area and a covered bar with log burning stove, together with a garden shed and log stores. To the front, electronically operated gates open to extensive private parking, substantial timber store and an insulated double garage with twin electronic roller doors and two EV charging points. Considerable investment has also been made in energy efficiency, including a 12kW solar PV system with 28 panels, approximately 30kWh of battery storage, upgraded insulation and windows, smart EV charging, hot-water and room-by-room heating controls. Altogether, this is a fabulous and exclusive residence offering an enviable combination of space, privacy, quality and modern efficiency.

HESSLE

The Town of Hesse is well served for local amenities with first class shopping facilities available within the Town Centre, public transportation & local primary and secondary schools. Good road and rail connections are available with a local train station off Southfield, and the A63 dual carriageway running nearby to the South of the town, allowing convenient access to Hull City Centre and the national motorway network.

GROUND FLOOR;

ENTRANCE HALL

The welcoming entrance hall features attractive oak timber flooring, decorative ceiling cornicing and recessed spotlights, with a striking central staircase rising to the first floor. Useful understairs storage adds practicality, while the generous layout provides access to the principal ground floor rooms.

STUDY

A versatile reception space currently utilised as a home gym, would make an ideal office/study or a snug. With windows to the front and side elevation.

WC

With a concealed cistern WC, vanity wash hand basin, oak timber flooring, travertine tiled walls and a window to the side elevation.

LIVING ROOM

The generously proportioned living room provides an impressive yet comfortable reception space, featuring a striking fireplace with multi fuel burning stove and timber mantel as a standout feature. A broad

bay arrangement with windows and French doors allows excellent natural light, while decorative ceiling cornicing and recessed spotlights complete the room.

KITCHEN

The generously proportioned kitchen is fitted with an extensive range of cabinets complemented by marble work surfaces. A substantial central island provides additional preparation space together with a breakfast bar, while appliances include a range cooker with extractor above, integrated microwave and dishwasher. Recessed ceiling spotlights and windows to both the side and rear elevations create a bright and welcoming space, with the kitchen flowing naturally into the adjoining dining area and through to the practical boot room. Also benefitting from a whole house water softener.

DINING AREA

The dining area provides a generous and versatile space with bi-folding doors opening directly to the rear and allowing an abundance of natural light. The room flows seamlessly through to the sitting room, creating an excellent layout for both everyday living and entertaining.

SITTING ROOM

A stylish sitting room featuring a contemporary wall-mounted media arrangement with extensive fitted storage, complemented by a fabulous multi fuel burning stove which creates a superb focal point to the room. A large window allows plenty of natural light to flood the space, while the timber flooring and generous proportions enhance the warm and inviting feel.

BOOT ROOM

A fantastic practical addition to the home, offering ample storage for coats, boots and outdoor essentials, together with convenient access to the rear garden.

UTILITY ROOM

The sizeable utility room is fitted with a range of wall and base cabinets providing excellent storage, together with generous work surfaces and a stainless steel sink. There is further plumbing and space for 2 washing machines (one currently occupied by a wine cooler) and dryer. Recessed ceiling spotlights and windows provide excellent light, while an external door gives direct access to the hot tub area and rear garden.

FIRST FLOOR;

MASTER BEDROOM

Impressive master suite enjoying an abundance of natural light from windows to both the side and rear elevations, complemented by bespoke mirrored fitted wardrobes, a dedicated dressing area and luxurious en-suite facilities.

EN-SUITE

Beautifully appointed en-suite featuring a stylish panelled bath, contemporary twin vanity unit with countertop basins, and a generous walk-in shower enclosed by sleek frameless glass. Fully tiled throughout with travertine tiles in elegant natural tones, under-floor heating contemporary chrome fittings, recessed spotlights, a heated towel rail and a window to the side elevation.

DRESSING ROOM / BEDROOM 5

Currently utilised as a dressing room with a combination of fitted and semi-fitted wardrobes, the room could easily be reinstated as a fifth bedroom if required. Windows to both the front and side elevations provide good natural light, complemented by recessed ceiling spotlights, while a loft hatch with attached ladder provides access to the loft space.

BEDROOM 2

A bedroom of double proportions with fitted wardrobes and storage units, windows to the side elevation and access to the en-suite.

EN-SUITE

With a three piece suite comprising of a shower enclosure, wash hand basin and a concealed cistern WC. Further benefitting from recessed spotlights and a heated towel rail.

BEDROOM 3

BEDROOM 4

Another double bedroom with fitted wardrobes and windows to the front and side elevations.

BATHROOM

Beautifully appointed bathroom featuring a stylish panelled bath, contemporary vanity unit with inset basin and a separate shower enclosure with sleek glazed doors. Fully tiled throughout in elegant natural tones with under-floor heating, complemented by contemporary chrome fittings, recessed spotlights, a heated towel rail and a window to the rear elevation.

EXTERNAL;

GARDEN

The superb southerly facing rear garden has been thoughtfully designed to offer an exceptional setting for both relaxing and entertaining, with an expansive lawn complemented by a variety of patio and seating areas. A substantial covered bar area with log burning stove and marble work surfaces provides a fantastic all-weather entertaining space, while a separate hot tub area benefits from its own privacy screening and an electrically operated rain/sun canopy. Composite decking leads to a contemporary outdoor office, ideal for home working or use as a private retreat, with further practical features including a double garden shed with power and lighting and ample additional storage and log stores discreetly positioned around the garden.

DRIVE & PARKING

Accessed via electronic gates, the property benefits from a private brick-set driveway providing ample secure parking for multiple vehicles, in addition to a double garage offering further parking and storage.

SUMMERHOUSE

The garden office is designed for comfortable year-round use and is

equipped with its own high-efficiency air-to-air heat pump. This provides economical heating during the winter together with air conditioning during warmer weather, making it an ideal permanent home office or additional working/living space without the running costs associated with conventional electric heating. Also benefitting from power and lighting.

DOUBLE GARAGE

A well-appointed insulated double garage with two electronically operated roller doors, housing the solar energy battery storage system and equipped with two electric vehicle charging points. Also benefitting from boarded loft space.

STORE

Accessed via electronic gates, the substantial timber store (9m long x 4.1m wide x 2.7m high) provides excellent additional storage and is ideal for housing garden furniture, vehicles and a variety of other equipment. May also be used as a workshop as it has power and lighting.

ENERGY EFFICIENCY INFORMATION

EPC A rated, with a 12kW solar array comprising 28 panels, approximately 30kWh of battery storage, two EV chargers and intelligent hot-water and heating controls. Solar energy can be used within the home, stored for later use, used for EV charging or hot water, or exported back to the grid. The systems operate largely automatically and require very little day-to-day input.

SMART HEATING

Heating is controlled using Tado smart radiator controls, allowing individual rooms to be managed independently rather than unnecessarily heating the whole house to the same temperature. Temperatures and schedules can be adjusted easily from the individual controls or via the app. Once set up, the system operates automatically, providing comfortable room-by-room heating while helping to reduce unnecessary energy consumption.

AML

By law, we are required to conduct anti-money laundering checks on

all potential buyers and sellers, and we take this responsibility very seriously. In line with HMRC guidelines, our trusted partner, Coadjute, will securely manage these checks on our behalf. Once an offer is accepted (subject to contract), Coadjute will send a secure link for you to complete the biometric checks electronically. A non-refundable fee of £45+ VAT per person will apply for these checks, and Coadjute will handle the payment for this service. These anti-money laundering checks must be completed before we can send the memorandum of sale to the solicitors to confirm the sale. Please contact the office if you have any questions in relation to this.
