A unique opportunity to acquire a well-established family owned hotel which has been run by the same family for the past 22 years . Situated in the pleasant town of Langholm, this pub & restaurant is popular with locals and travelers, specifically known for its excellent home cooked, locally sourced food and it is also popular with guests looking to stay in the local area.

Internal Details

Entry to the hotel is from the high street, a prominent position on the A7 which means it can't be missed by passing trade. The front door opens to a ground floor lobby with stairs leading to the reception on the first floor and onwards to the letting rooms. This entrance is primarily used for hotel guests and customers who would like to eat in the restaurant located at the rear of the building. There is a separate door on the high street for accessing the public bar which is very popular with locals and often the bar is filled to the brim when there is live music playing on a Saturday night. The main bar is nicely decorated, with wall fitted benches and tables and stools. There are two wall mounted tvs, a pool table and behind the bar, a selection of 8 draught beers and gin/whisky shelves. The Douglas Hotel is also a venue for the Sunday Pool League and Langholm Legion Football Team, whom they sponsor.

The restaurant has space for 34+ covers at a time and for ease, has its own separate bar for drinks. There is further seating for 16 in the function/breakfast room.

There is a fully fitted commercial kitchen comprising two large chef fridges, commercial gas range with six ring gas stoves and gas grill above, five lincat deep fat fryers, preparation corners with preparation fridges. At the back of the kitchen is a prep area where the desserts are usually prepped and two large sinks with a commercial dishwasher. There is a boiler room with two washing/drying machines and two large hot water tanks. The building is on a split heating system. There is a staff toilet on the first floor and customer toilets on the ground floor.

Cellar access is through a ground floor door. There is a hatch to the rear yard for beer delivery. The cellar is used for storing drinks, wine, draught beer, fresh and perishable foods. There is also a potato peeling machine and electrical chip cutter. Located to the rear is a walled beer garden with several tables and benches. The beer garden is mostly decked and is South facing. At the front of the property across the road there is a public car park for guests. At the rear of the property is a small piece of land which can be accessed from Armstrong Court.
