The Maude is a select development of bespoke new build properties by Akehurst Homes. Their mission to exceed customer expectations is clearly evident in the exceptional quality of each individually crafted home, with no attention to detail spared. The site was chosen for its easy access to a host of local amenities, in a tucked away location yet very much at the heart of the thriving local community. With only nine of the original thirty four properties remaining to buy, now is the time to make your home a better one.

Located in the historic Cinque Port town of New Romney and within level walking distance of the town centre, offering a selection of independent shops and restaurants together with a Sainsbury's store, doctors' surgeries and dentists. Primary and secondary schooling are located close by, with Littlestone championship golf course and the beach also only a short distance away. A little further along the coast you can enjoy the open spaces of Dungeness Nature Reserve, with the delightful Medieval Cinque Port town of Rye just a short drive away and the larger historic seaside town of Hastings located further along the coast. The ever-expanding market town of Ashford is within easy driving distance and offers a far greater selection of shopping facilities and amenities together with high-speed rail services from Ashford International railway station with services to London St. Pancras in under 40 minutes.
