Property Description

Privately nestled in the prestigious Drummond district of Inverness and occupying an extensive plot, Glenside is an imposing six/ seven bedroomed detached villa that offers an unparalleled blend of spaciousness and comfort that will appeal to families, whilst also having the luxury of a perfectly positioned garden room, two modern bathrooms and a walk-in loft. This unique, architect built home has accommodation spread over two floors and enjoys a number of attractive features including gas central heating, double glazed windows, and abundance of storage, with all bedrooms boasting built-in wardrobes, plus five cupboards in the hallway. As you step inside, you are greeted with an inviting entrance vestibule and hallway which has a useful WC, a cupboard, and a large picture window, giving a sunny first impression. From here, you are led in to the dining room and adjoining sitting room which can be separated by large sliding doors. This double aspect room boasts an open fire, perfect for cosy evening indoors, whilst the dining room can accommodate a large table and chairs, setting the stage for memorable meals and entertaining. The fully equipped kitchen conveniently gives access to the side elevation and features a range of mounted units and worktops, plus a low breakfast bar. There is a 1 1/2 sink drainer with instant boiling water tap, and integrated NEFF appliances including an electric hob with extractor over, and a double eye-level oven. Opposite the kitchen is the beautiful and sizeable garden room which forms the heart of the home. It is bathed in warm, ambient light through it's glass roof and sliding doors which open to leave a 12 ft opening on to the garden offering indoor/outdoor living. Down the hall, there is a family room/snug, an office for those working from home, a stylish Jack and Jill bathroom and three double bedrooms, one which benefits from an en-suite shower room. From the hall, a staircase rises to the first floor. Here we have the gallery landing, a bright and versatile space that leads to the family bathroom, a walk-in cupboard, and three light and airy double bedrooms, one of which gives further access to a large walk-in loft. Subject to gaining the relevant warrants and permissions, this area has fantastic potential for a variety of uses if required. The star attraction of this property is the exceptional garden grounds, which are well maintained, include a greenhouse and attracts a profusion of wildlife. A keen gardeners haven, it features a magnificent mixture of planting and specimen trees from around the world, giving shape and colour throughout the year, as well as providing total seclusion, creating a private and safe environment for all to enjoy. The South and West facing patio areas present an impressive setting for al-fresco dining, sun worshipping, and family activities, with the overall grounds being large enough to accommodate a marquee and a granny flat chalet. The driveway offers sufficient space for parking numerous vehicles, and leads to the carport and detached, double garage which has electricity and lighting. Further to this is a neatly placed wood and bin store, and three large sheds, all of which are completely dry and covered. Overall, viewing of this property is essential as it represents a remarkable family home, in a seldom available and convenient location, ideal for the discerning buyer.
