Description

The internal layout begins with a welcoming entrance hall leading through to a comfortable living room, which in turn opens into a bright conservatory — creating an excellent space for both everyday family living and entertaining. The well-appointed kitchen is fitted with a range of eye and base level units, ample worktop space, and a door providing access to the rear garden. A convenient ground floor cloakroom completes the accommodation on this level.

To the first floor, the landing provides access to all rooms. There are two generously sized double bedrooms, a good-sized single bedroom, and a modern family bathroom.

Externally, the rear garden begins with steps leading down to a lawned area, bordered by mature shrubs and offering access to the woodland beyond. To the front, a small garden enhances the property's kerb appeal, while the driveway provides off-street parking and leads to the garage, accessed via an up-and-over door.
