IF YOU LIVED HERE...

Space, light and contemporary design come together beautifully in this impressive apartment. The dual-aspect kitchen and living area is a real highlight, with natural light pouring in from two sides. The kitchen has sleek fitted units, integrated appliances, smart worktops and a breakfast bar, creating a natural divide between cooking and relaxing. There's plenty of room for both, with doors leading out to your private balcony and its impressive skyline views.

Both bedrooms are comfortable doubles, each with its own feature wall and smart decor. You'll also find two modern bathrooms, along with useful hallway storage to keep everyday essentials neatly tucked away.

Being on the fourth floor gives you a welcome sense of peace and privacy, but step outside and you're right amongst the creative energy of Fish Island.

There are some excellent places to discover locally, from the Lord Napier Star and Ethical Bean Company to Howling Hops Brewery and CRATE, a Hackney Wick favourite set inside a former print factory with a lovely canal-side setting.

When you fancy some fresh air, Victoria Park and the Queen Elizabeth Olympic Park are both within walking distance, in opposite directions. The surrounding canals offer even more opportunity to explore, with plenty of attractive waterside routes to enjoy.
