Bolton-le-Sands is a sought-after village location that combines coastal surroundings with a strong sense of community. The village offers a range of everyday amenities including local shops, cafés, and services, while nearby canal paths and the coastline provide excellent opportunities for walking and enjoying the outdoors. Conveniently positioned for access to the M6 and nearby rail links, the area is well suited to commuters, with the historic city of Lancaster just a short drive away offering an extensive selection of shopping, restaurants, and leisure facilities.

Step inside via the welcoming entrance hall, where to the front of the property you'll find two generous double bedrooms, both enjoying pleasant views towards the nearby woodland. Bedroom one features a charming bay window, while bedroom two is currently utilised as a second sitting room, highlighting the home's flexibility.

To the rear, the stylish living room provides the perfect space to relax and unwind, complete with feature panelling and fun décor. Open-plan to the dining room, this sociable layout is ideal for both everyday living and entertaining. The dining area is flooded with natural light from multiple windows and benefits from a feature fireplace and patio doors opening onto the rear garden.

The well-appointed kitchen is fitted with a range of base units and complementary worktops, alongside integrated appliances including an induction hob with extractor, oven, fridge/freezer, washer and stainless steel sink. A door provides direct access to the garden, and the boiler is also housed here.

Completing the ground floor is the family bathroom, fitted with a bath and overhead shower, wash basin, and WC.

A versatile loft room, accessed via a Jacob's ladder staircase, offers excellent additional space and is currently used as a beautifully arranged third bedroom. Featuring a Velux window, exposed wooden beams, and useful built-in storage/dressing space, it would also make an ideal snug, hobby room, or home office.

Externally, the property continues to impress with a private, low-maintenance rear garden featuring artificial lawn, mature borders, and established trees. Designed for easy outdoor living, it provides the perfect setting for al fresco dining, entertaining, or simply relaxing in peaceful surroundings. A purpose-built pergola creates an inviting sheltered seating area, ideal for enjoying the garden throughout the seasons.
