There is also a dining room, which could equally be used as bedroom three, and a ground floor wet room.

The first-floor landing has a storage cupboard housing the boiler and doors to the dual-aspect main bedroom with a built-in wardrobe, bedroom two, and the family bathroom. The property further benefits from gas central heating, double glazing, a tandem garage, and front and rear gardens.

A large sweeping tarmac driveway provides ample off-road parking and leads to the tandem garage/workshop, which has an electric door, light and power, space for a tumble dryer, and overhead storage.
