# A wonderful two bedroom cottage, located in a tucked away location in the popular village of Silverton.

## Description

Entering through the garden gate, you are welcomed into a generous front garden, predominantly laid to lawn and attractively framed by mature trees and established shrubs, creating a pleasant sense of privacy and curb appeal. There is also a lovely small pond.

The property is accessed via a practical entrance porch featuring a stable door and useful shelving for shoe storage, making it an ideal transitional space. From here, a door leads into the lounge—a well-proportioned and inviting room with ample space for living room furniture. A charming fireplace with a wood-burning stove forms a beautiful focal point, providing warmth and character and making this a cosy retreat during the colder months.

The lounge flows naturally into the dining area, which comfortably accommodates a six-seater dining table and chairs and also houses the staircase to the first floor. From the dining area, the kitchen is seamlessly accessed. The kitchen is fitted with a range of white shaker-style wall and base units and benefits from integrated appliances including an oven, hob, fridge, freezer, and dishwasher. A breakfast bar adds both functionality and casual dining space. Adjacent to the kitchen is a handy utility cupboard with plumbing for a washing machine, as well as a conveniently located downstairs WC.

Rising to the first floor, the accommodation comprises two spacious double bedrooms, a study, and a family bathroom. Bedroom One enjoys built-in wardrobes and pleasant views over the rear garden, while Bedroom Two is another well-sized double room. The study offers a versatile space, enhanced by a light tunnel that provides natural daylight. Completing this floor, the family bathroom is fitted with a bath and shower over, hand basin, and WC.

Externally, the rear courtyard is designed for low-maintenance living, finished with patio tiling and complemented by a summer house—ideal for relaxing, entertaining, or home office use.
