Stylishly refurbished mid-century terraced house

The Scots Pine and Rowan View terraced houses are ideal for professionals or young/small families looking for a turn-key property in a unique setting, surrounded by picturesque landscapes and a meadow atmosphere remarkably close to the city centre.

Both double-storey house types are entered via generous and bright vestibule (ideal for muddy boots and coats) which in turn leads to a living room with an open-plan design to the dining area and stylish kitchen.

Light floods the space as it streams in from oversized floor-to-ceiling glazing in the living room, to large windows and a door in the kitchen, leading to the private garden.

Stylish, brand-new kitchen

with integrated appliances

The brand-new kitchen is not only beautifully designed, but is also in keeping with the mid-century architecture. Here, sage-green units are topped with quality composite worktops, neatly integrated appliances, as well as space for a freestanding fridge/freezer. The large worktop, delightful rear garden views and generous floor space to incorporate a full dining table and chairs, make this room ideal for everyday living and entertaining.

Completing the ground floor accommodation is a convenient utility room and WC.

Upstairs, the homes continue their modern interiors and ample wonderful natural light streaming in from large windows. Leading off the landing are two spacious double bedrooms and a large single bedroom, ideal as a child's bedroom, home office or hobby room.

Contemporary

three-piece family bathroom

The bedrooms are served by a tasteful, brand-new family bathroom, complete with a modern three-piece-suite consisting of a shower-over-bath with a rainfall showerhead and glazed screen, a washbasin set in a contemporary vanity unit offering hidden storage, as well as a heated towel rail and a back-lit mirror.

Each house enjoys a private rear garden bordered by mature trees and access to large communal garden grounds to the front.

Refurbishment:

All properties have been extensively renovated to a high standard, with each benefiting from a new roof, complete electrical rewiring, a new gas central heating system, new windows, new flooring, and stylish brand-new kitchens and bathrooms.

Factoring & the development:

Hillside Terrace is the last of the 3 phases of the Craigiehall Meadows Development. The properties are set in an area of outstanding natural beauty, offering delightful walks passing grazing sheep, woodlands, a pond, and the River Almond, all on your doorstep. Private residents parking is available on Hillside Terrace. The development is managed by Hacking & Paterson with an approximate fee of £40/pcm. This includes the maintenance of the private road, street lighting, communal garden grounds and management service.

Access to Large communal grounds

Nestled next to the mighty River Almond, amongst open fields and dense woodlands, yet only a 15-minute commute to the heart of the capital, Craigiehall Meadows really does offer the perfect blend of country and city living. The sought-after and picturesque town of South Queensferry, only a 5-minute drive away, caters for all your daily needs against a spectacular backdrop of Scotland's iconic three bridges reaching over Firth of Forth.
