Guide Price

Highlands Road

This distinguished residence represents a rare opportunity to acquire a property of impressive character, where original period features have been carefully preserved whilst thoughtfully enhanced for modern family living. Hawthorns Lodge offers buyers a home of exceptional quality in an enviable setting.

The property unfolds across three generous floors, each revealing carefully planned spaces that balance historical charm with contemporary comfort. Upon entering, one is immediately struck by the seamless blend of old and new - most notably in the spectacular open-plan kitchen and family room, where soaring vaulted ceilings create an atmosphere of light and space that transforms everyday living. This inspired addition shows how period properties can evolve without losing their essential character.

The sitting room captures the essence of country house living, centred around a magnificent inglenook fireplace that forms the natural heart of the home. Here, winter evenings become special occasions, with crackling logs providing both warmth and atmosphere. The library room offers elegant entertaining space, whilst two dedicated office spaces meet modern working needs. Practical considerations are well addressed through a useful utility room and cloakroom.

Ascending to the first floor, the principal bedroom suite offers a private retreat complete with en-suite facilities and walk-in wardrobe, the characterful beams adding authentic cottage charm. A second bedroom, equally well-appointed with en-suite and wardrobe, ensures comfort and privacy for family or guests. The second floor provides two further bedrooms and an additional en-suite shower room, offering flexibility for growing families.

GROUNDS & SITUATION

Set centrally within approximately half an acre, the property enjoys complete privacy behind mature hedging. The grounds are truly exceptional - every tree in the garden bears edible fruit, creating a productive paradise of mature pear, plum, damson, apple and walnut trees. This abundance of fruit trees not only provides seasonal harvests but creates a beautiful, ever-changing garden throughout the year. There is large gated driveway which leads to the side of the home where a detached garage and outdoor seating area are located.

The property backs directly onto River View Vineyards, offering stunning borrowed views across the vines. A delightful walk along the River Crouch is accessible from the property, providing endless opportunities for riverside strolls and connecting with the beautiful Essex countryside. This combination of productive gardens, vineyard views and river walks creates a lifestyle opportunity rarely found in the market.

HISTORICAL NOTE

As a Grade II listed building, Hawthorns Lodge holds recognised architectural and historical significance, placing it among the 92% of listed buildings considered of special interest. This designation not only protects the property's unique character but often enhances its desirability and value in the marketplace.
