Guide Price

£300,000

This superb three bedroom semi offers modern open plan living perfectly suited to today's life style.

A entrance lobby welcomes you in to a light filled home with a seamless flow from the living room to the dining area and kitchen with range cooker.

Upstairs you will find three well proportioned bedrooms and a lovely new bathroom.

Outside, enjoy a south facing sunny garden, a detached garage with recent up and over door ,power and light a side or to garden.

All just a few minutes walk to the sea front.

The property could do with some TLC and updating. However we understand from the vendor the property has a new boiler fitter in the last few years and the bathroom fitted.
