Immaculately maintained throughout, the property presents exciting scope to extend — including into the loft, over the garage, and to the rear (subject to the usual planning permissions). Stepping through the front door, you are welcomed into a spacious entrance hall which leads into a light-filled through-lounge with bay window. A second reception room sits at the heart of the home and flows into a charming dining area, creating a flexible space perfect for entertaining. The modern fitted kitchen sits at the rear, offering direct access to the generously sized garden. A convenient downstairs WC is located off the hallway, while the integrated garage provides secure parking or further development potential. Upstairs, the first floor hosts three bedrooms — two of which are spacious doubles — and a well-appointed family bathroom. The loft remains unconverted, offering yet another opportunity for expansion.

The Vale forms part of the exclusive Laings Estate, a highly regarded residential enclave in Woodford Green (IG8), known for its distinctive 1930s character homes, wide tree-lined streets, and strong sense of community. The area is particularly popular with families due to its proximity to Churchfields Primary School, as well as several other well-regarded state and independent schools. Local amenities can be found just a short walk away, including shops, cafés, and restaurants, while Woodford Central Line station offers direct access to Liverpool Street and the West End. South Woodford station is also within walking distance, giving residents multiple transport options. Excellent road links via the M11, A406 and A12 further enhance connectivity.
