Agents notes:

- The property is situated off a shared private drive and we understand there are shared maintenance costs as and when necessary.
- The land registry document refers to rights, restrictions and covenants, and a copy of the document is available upon request.
- There is potential for mooring, however this is subject to British Waterways approval and rules and regulations, and it is up to interested parties to make their own enquiries.

-Our client commissioned an asbestos specialist report. The report revealed asbestos cement to the externals of the main property and garage only. The risk level was considered very low for both.
