## The Accommodation

Situated on the desirable modern development in the heart of Stretton, Moor Furlong is a detached property and presents an excellent opportunity for a growing family or buyer seeking a home with highly versatile accommodation. Formerly and currently used as a house in multiple occupation, the property offers great scope for improvement and reconfiguration, allowing a purchaser to adapt the existing layout to create a substantial and comfortable family home.

The accommodation opens with a welcoming reception hallway, having a staircase rising to the first floor. On the front elevation is the original lounge, featuring a uPVC double-glazed bay window, although this area is currently arranged to include an en suite shower room fitted with a WC, hand wash basin and shower enclosure. Also to the front of the property is the original garage conversion, now providing an additional reception room, again reflecting the home's HMO history, with a further en suite shower room comprising WC, hand wash basin and shower enclosure.

Occupying the rear aspect of the property is an impressive open-plan kitchen diner, a spacious and sociable area overlooking the rear garden and offering excellent potential as the heart of the home. The kitchen is fitted with a stylish range of gloss-fronted units together with a built-in double oven, electric hob with extractor hood above, space for an American-style fridge freezer and inset spotlights to the ceiling. There is ample room for a formal dining table and chairs, with windows and doors opening onto the rear garden. A separate utility room provides additional appliance space and further practicality.

The first floor has also been altered from the original layout, with each of the four bedrooms benefiting from its own independent en suite shower room, a feature which could prove particularly useful for larger families or multi-generational living. The two larger bedrooms are positioned on the front elevation and both enjoy built-in wardrobes, whilst the two further bedrooms are located to the rear aspect.

Outside, the property sits at the head of a shared driveway serving only two other homes, occupying an established plot with front garden and off-road parking to the front elevation. Gated side access leads to the enclosed rear garden.

The home is further enhanced by uPVC double glazing and gas central heating throughout. Conveniently positioned close to the many amenities available within Stretton, the property also offers excellent access to the A38, linking Burton with Derby and Lichfield. All viewings are strictly by appointment only.

This property is currently tenanted, they have been requested to leave, however this can cause a delay to the sale and purchase process and a status update will be provided at the point of offering as to whether the intending buyer wishes to pursue the purchase.
