A fantastic opportunity to acquire this three bedroom semi detached home, occupying a generous plot with off road parking, a detached garage and a good size rear garden backing onto a wooded setting with the River Don running beyond. Offered with no onward chain, this is a great option for buyers looking for a well proportioned home in a popular Hillsborough location.

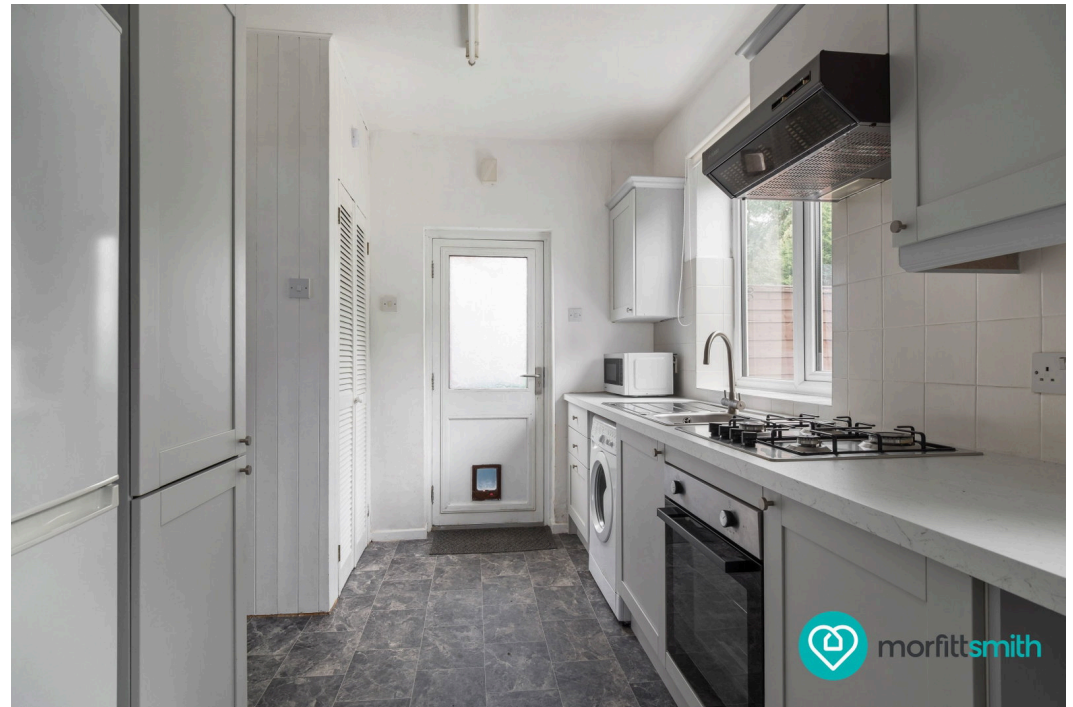

The property is entered through a useful front porch before opening into a spacious bay fronted living room. There is plenty of space for a full range of furniture, with a feature fireplace providing a natural focal point to the room.

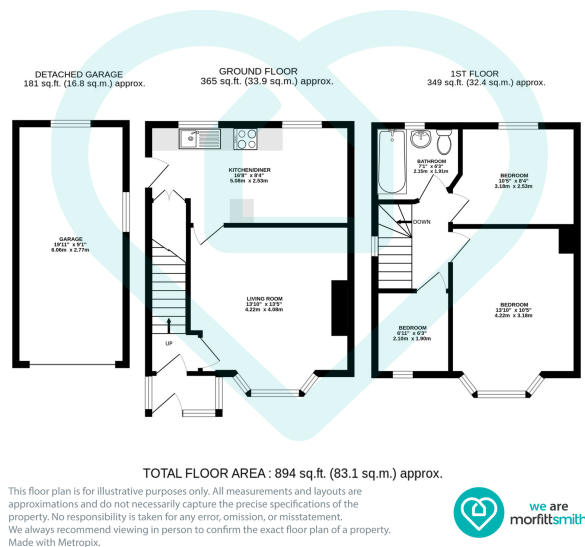

To the rear is a good size kitchen diner, fitted with a range of modern units and offering enough space for a dining table, making it a practical everyday family space. A rear door provides direct access out towards the garden.

Upstairs are three bedrooms, comprising two comfortable doubles and a third single bedroom which would also work well as a nursery, dressing room or home office. The accommodation is completed by the family bathroom.

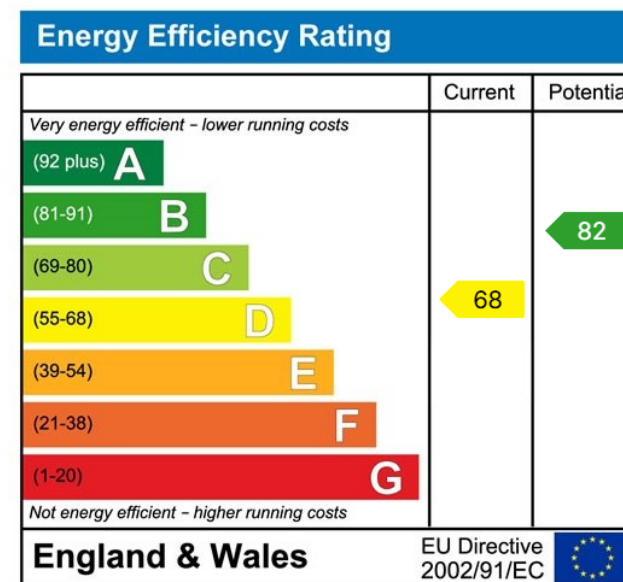

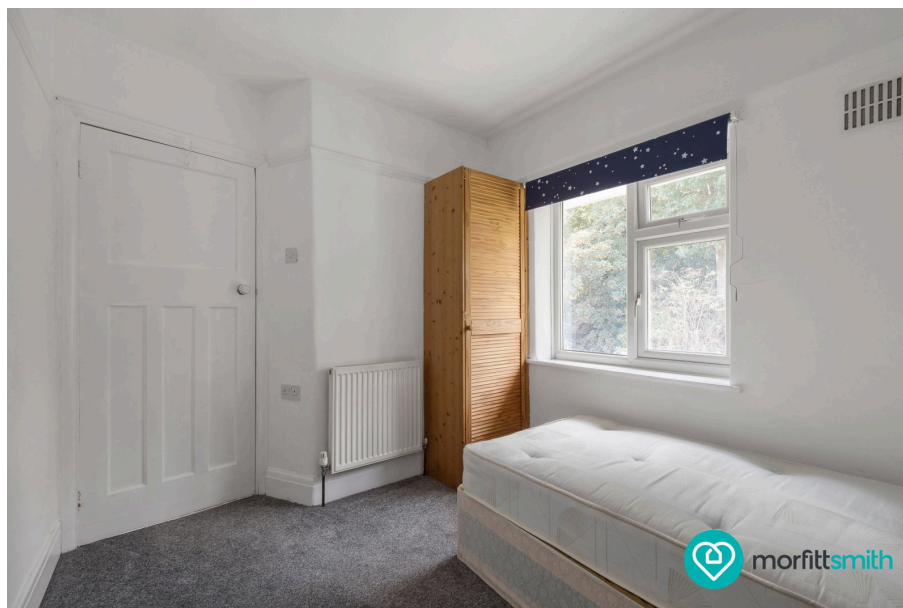

Outside is where the property has plenty more to offer. A driveway provides off road parking and continues towards the detached garage, while the rear garden is a really good size with a lawn, established hedging and plenty of space to create seating, entertaining or play areas. Mature woodland beyond the garden gives the rear a noticeably greener outlook, with the River Don running beyond the rear boundary.

Shenstone Road is well positioned for everything Hillsborough has to offer, including local shops, supermarkets, schools, Hillsborough Park and excellent public transport links across Sheffield. The property is leasehold with a long lease and is offered for sale with no onward chain.
