Guide Price £450,000 - £475,000

This beautifully refurbished three-bedroom family home has been carefully upgraded throughout, offering a taste of sleek, modern finishes, ready for its new owners to move straight into.

The entrance opens into a light and inviting sitting room, where a Crittall style window forms an eye-catching focal point while drawing in plenty of natural light. To the rear, the kitchen and dining space has been well planned, centred around a sociable island with warm wooden worktops, paired with stylish cabinetry, integrated appliances and feature lighting. The open plan layout makes it an ideal setting for everyday family life as well as entertaining.

Upstairs, there are three well-proportioned bedrooms, including two doubles and a single that works equally well as a bedroom or a dedicated home office. The main bedroom includes fitted wardrobes, while the additional rooms provide flexibility for family or guests. The bathroom stands out as a carefully curated space, with a freestanding copper bath at its centre, traditional style fittings and a rich colour scheme that creates a sumptuous atmosphere.

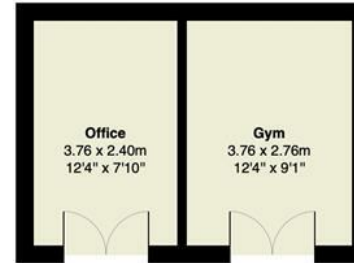

Outside, the garden has been arranged to offer a variety of areas to enjoy. Bifolding doors open onto a patio and decked seating area, ideal for outdoor dining and relaxing. A bespoke garden cabin adds further appeal and is currently used as a gym along with a separate workspace.

This home also benefits from solar panels, offering energy efficiency and lower running costs.
