Entering through the front patio garden, you are welcomed into a practical entrance hall with space for coats and shoes. A door to the left leads into the bright and spacious living room, where a large front-facing bay window fills the room with natural light. Character features including a picture rail, fitted shelving and built-in cupboards create a warm and inviting atmosphere while providing useful storage.

Returning to the hallway, a further door beyond the staircase opens into the cosy second reception room, currently used as a snug. This charming space centres around a feature log-burning stove with a wooden mantel, tiled hearth and fitted shelving and cupboards to either side. Patio doors provide direct access to the rear garden, while a large under-stairs cupboard, currently utilised as a pantry, benefits from a side window and offers excellent additional storage.

Leading on from the snug is the modern galley kitchen, where contemporary fittings blend seamlessly with an exposed original stone wall that adds plenty of character. The kitchen offers a range of gloss wall and base units, a five-ring gas hob with extractor above, integrated oven and grill, sink with half bowl and drainer, integrated Hotpoint dishwasher, space for a fridge freezer, and plumbing for an under-counter washing machine and tumble dryer. A rear door provides convenient access to the garden.

At the end of the kitchen is the ground floor shower room, fitted with a walk-in shower, WC, vanity wash hand basin with storage, wall-mounted mirror, part tiled walls and flooring, and a rear-facing window providing natural light and ventilation.

Stairs rise from the entrance hall to the first floor landing, where a side-facing window illuminates the space. Bedroom One is a generous double bedroom featuring two front-facing windows overlooking Castle Garth, creating a bright and airy principal bedroom, the room also includes expansive fitted wardrobes.

Opposite is the family bathroom, fitted with a corner bath incorporating an overhead shower attachment, wash hand basin, WC, heated towel rail, part tiled walls and flooring, and a useful double storage cupboard ideal for linen and towels, which also houses the Logic boiler. A rear-facing window completes the room.

Bedroom Two is another comfortable double bedroom overlooking the rear garden. From here, stairs lead to the spacious attic room, a versatile area currently used as a home office but equally suited as a hobbies room, occasional guest space or additional storage. Velux roof windows provide plenty of natural light.

Externally, the property enjoys attractive gardens to both the front and rear. The front garden is beautifully landscaped with established shrubs, flowers and a stone pathway leading to the entrance and around the side of the property. The enclosed rear garden offers a flagged patio accessible from both the snug and kitchen, with a couple of steps leading down to a low-maintenance lawn bordered by mature planting. A raised decking area at the end of the garden provides the perfect spot for outdoor dining or relaxing. The property also benefits from an allocated parking space/carport area located to the rear of the garden, this space includes a double outdoor socket and security lights.
