PRICED TO SELL..... If you are looking for a large, detached bungalow set on a generous plot with large south facing gardens to the front and rear, this could be the property for you. Having been reduced from the original price of £525,000 to help cover building works and potential underpinning to the extension, this is perfect for those wishing to buy a home they can make their own at a greatly reduced price.

The bungalow itself has a modern kitchen, bathroom, master bedroom, and en-suite. The rest of the property could do with some updating, but it is a blank canvas for those looking for a forever home. The bungalow is still more than liveable despite signs of settlement to the extension, and any works you may wish to undertake could be done further down the line at a time that suits your budgeting or lifestyle. Camel strongly recommends an internal viewing to appreciate the overall size of the property and what you get for such a good price.

Overall, the bungalow is set on a generous plot and offers full accommodation comprising four double bedrooms, two spacious reception rooms, a modern shower room, and a master bedroom with both a dressing room and en-suite.

Externally, the property features front and rear gardens, driveway parking, and an integral garage. Additional benefits include double glazing, LPG central heating, and fully owned solar panels.

The location is great for anyone wishing to have shops, a post office, pub, school, and transport services all within close proximity and on a level walk. All this, as well as being just a stroll away from the newly constructed cycle trail that leads into Perranporth—only a couple of miles' walk from the beach.

Gardens

To the front you have lawned gardens. This area lends itself to providing additional parking or a turning area. To the rear there are more low maintenance gardens. They are paved and have patio doors leading from the living room and master bedroom.

Parking

The driveway provides parking for two/three cars and

there is the possibility to create further parking or a turning area, by removing some of the front garden.
