The internal layout of this gorgeous home begins with an entrance hall which sits at the heart of the home, hosting the stairs and providing access to all ground floor rooms.

One of many main attractions of this home is the stunning front to back kitchen/diner, measuring a staggering 27'2 in length! This room remains light throughout the day with three beautiful skylights, combining with French doors to the rear, to flood the room with natural light. The kitchen boasts an abundance of cupboard and surface space across two long base units and a feature island and benefits further from a series of integrated appliances including fridge/freezer and dishwasher. The dining section of the room comfortably fits a large dining table with accompanying chairs and also boasts a large window which overlooks the front of the home and Oak Crescent's community garden.

The lounge is accessible from both the entrance hall and the kitchen/diner, and is a fantastic size, measuring 15'9 x 11'9 and boasting a further set of French doors into the rear garden. Located at the front of the home is an office/play room which offers an additional 8'3 x 8'0 of space!

Completing the ground floor layout is a large WC, a utility cupboard which holds both a washing machine and tumble drier, and a large under-stairs storage cupboard.

Upstairs is equally impressive, boasting four large double bedrooms and two bathrooms. Bedroom 1 measures 12'2 x 11'9 and enjoys an adjoining three-piece en-suite comprised of walk-in shower, toilet and sink. Bedroom 2 at maximum dimensions measures 10'10 x 14'7 and bedrooms 3 and 4 measure 10'1 x 11'9 and 12'0 x 8'7 respectively. The family bathroom is a divine four-piece suite which is comprised of a walk-in shower, separate bath, toilet and sink. There is also a large cupboard for additional storage and a boarded loft with a pull-down ladder for access.

The property is also on a Hive heating system and the boiler has been regularly serviced since the owners bought the home.

The rear garden is SOUTH WEST facing and backs onto Essex countryside, offering a phenomenal outlook in the spring - autumn months. The garden is also very easy maintenance, comprised simply of patio and turf areas. There is a driveway to the front of the home for multiple vehicles which leads to an oversized garage which measures 22'7 x 9'9!
