A Lifestyle Reserved for the Few

Perched above the historic market town of Cowbridge, Plas Dorlan is an exceptional three-bedroom duplex penthouse where contemporary architecture, timeless elegance and uncompromising luxury come together to create one of the Vale of Glamorgan's most remarkable homes.

From the moment you step through the door, the attention to detail is immediately apparent. A dramatic mirrored entrance hall creates a stunning first impression, while the striking glass staircase draws you effortlessly towards the magnificent open-plan living accommodation beyond. Flooded with natural light through extensive floor-to-ceiling glazing, the principal reception spaces enjoy a coveted south-westerly aspect, capturing glorious afternoon and evening sunshine whilst framing uninterrupted views across Cowbridge and the surrounding countryside.

Designed with both everyday living and sophisticated entertaining in mind, the bespoke designer kitchen is beautifully appointed with premium integrated appliances and elegant finishes, flowing seamlessly into the spacious dining and living areas. Whether hosting family celebrations or enjoying a quiet evening watching the sun set from one of the private terraces, every space has been thoughtfully created to maximise both comfort and style.

The luxurious principal suite provides a true sanctuary, complete with bespoke fitted wardrobes and an elevated freestanding copper bath perfectly positioned to enjoy the spectacular views—a place to unwind whilst overlooking the beautiful landscape beyond. Two further generous double bedrooms continue the same standard of craftsmanship, whilst the beautifully appointed bathrooms and cloakroom are finished with exquisite marble detailing, creating a boutique hotel feel throughout.

Luxury extends far beyond the interiors. Multiple private terraces provide an enviable extension of the living space, ideal for al fresco dining, morning coffee or simply relaxing in complete privacy. Underfloor heating to the first floor, remote-controlled blinds, secure video entry, lift access and two secure underground parking spaces with electric vehicle charging combine modern convenience with effortless luxury.

Perfectly positioned just a short stroll from Cowbridge's vibrant High Street, renowned restaurants, independent boutiques and excellent transport links, Plas Dorlan offers an exceptional opportunity to embrace a lifestyle that is as prestigious as the home itself.

"Plas Dorlan is not simply somewhere to live—it is somewhere to arrive, to unwind, to entertain and to experience the very finest in luxury living, every single day."
