London

Guide Price

£425,000

Offering stunning views across London including the city skyline. A modern purpose built apartment on the sixth floor of this recently built building. Two bedrooms, modern bathroom and open plan living incorporating a contemporary kitchen with Bosch built-in oven, microwave and hob as well as built in fridge and dishwasher. There is a dining area and lounge with doors leading out to a private balcony. Further benefits include, floor to ceiling built-in wardrobes, a secure entry system, bicycle storage and two communal garden spaces.

An excellent location with brilliant transport links. Willesden Junction station is a short walk away and offers the Bakerloo line for the underground, the Lioness line into Euston and out to Watford Junction, and the Mildmay Line connecting you with Richmond and Clapham in the south and Stratford and Islington in the east. There are numerous bus routes close by and North Acton on the Central line is with 0.8 miles. Lots of green open spaces can be found nearby as well as the delights of the The Grand Union Canal.

Old Oak Common, the new super hub connecting both HS2 and Crossrail/The Elizabeth Line will be within 0.3 miles. This will transform the area beyond recognition and will undoubtedly become the best connected location in West London.
