'A stylish and elegant detached property which has been beautifully extended and completely transformed by the current owners to offer a quite superb home that really does have the wow factor and is sure to catch the eye!'

Situated on the Southern edge of the village of Temple Cloud and with fantastic links to the A37, lies this detached four bedroom home which has been sympathetically extended to create an impressive and substantial home with a tasteful, modern finish that could suit a wide range of buyers. As you step through the front door you are welcomed by an inviting entrance hallway providing access to every room including a handy ground floor wc and separate utility room. There is a light and bright lounge with French doors onto the terrace and there is a quite stunning feature kitchen/dining/family room which is a real focal point for the home. There is an attractive shaker style kitchen with central island, a selection of integrated appliances including the large Rangecooker and hood, dining area, space for further soft furnishings and the room is brought together by the bi-folding doors which connect the room to the raised, sunny terrace. All four bedrooms are a generous size and can be considered doubles in size with the two largest both benefitting from contemporary en suite shower rooms and there is a stylish family bathroom with oval freestanding bath and a separate walk in shower. The property has been finished to an impeccable standard throughout having had a new roof, new central heating system and a full re-wire and could now be moved into with the minimum of fuss. It also has modern anthracite grey double glazing.

Externally the property is set on a good size plot with an easily accessible driveway that could accommodate multiple vehicles in front of a newly constructed double garage with up and over doors. A pathway lined by mature shrubs runs down to the front door and there are expansive lawn gardens to three sides of the property as well as an old stone built potting shed. The rear garden has a sunny Southerly aspect which makes the raised terraced seating area the perfect spot to sit and enjoy the afternoon/evening sun.

Temple Cloud is a popular North East Somerset village that is ideally positioned for those needing access to the A37 & A39 and the connected cities. The village offers useful basic amenities including a popular pub/restaurant that is walking distance from the property. Public footpaths and countryside walks are also easily accessible within a matter of minutes.
