3 Boyes Close, Tiverton EX16 7DB

A two-bedroom bungalow, ready to move straight into, with no onward chain, a secluded rear garden and impressive powered timber studio.

Council Tax Band: A

Offered for sale with no onward chain, this two-bedroom bungalow provides an affordable opportunity to purchase a home within the popular Mid Devon village of Halberton.

The property is currently vacant and ready for its next owner, with well-proportioned accommodation arranged entirely on one level.

The main living room provides a comfortable everyday space with room for both sitting and dining furniture, while the kitchen offers a practical range of fitted units, work surfaces and appliance space.

There are two bedrooms, offering flexibility for those requiring a guest room, home office, or additional living space, together with a bathroom completing the internal accommodation.

To the rear, the garden is one of the property's real strengths. Enclosed and enjoying a good degree of seclusion, it provides a cosy outdoor space that is relatively easy to maintain.

A particularly useful addition is the substantial timber studio. Much more than a conventional garden shed, it is of heavy-duty construction and benefits from electrical power points, making it suitable for a variety of uses including a workshop, hobby room, or home working space.
