PORTO MONTENEGRO

A LIFE *less* ORDINARY

Set within the UNESCO-protected Bay of Kotor, Porto Montenegro is a waterfront destination shaped by the Adriatic, where the sea, the mountains and an international community come together in extraordinary harmony.

What was once a historic naval base has been thoughtfully transformed into a vibrant waterfront village and world-class marina, where heritage and contemporary living exist side by side.

Along its promenades, cafés spill onto sunlit terraces, yachts rest quietly in the marina and neighbours gather to enjoy the simple pleasures of everyday life.
