The Property

This is a fantastic home for those wanting city centre living with no work to do and a good amount of outside space. The property has undergone a complete renovation and ground floor extension – now providing a beautifully presented ready to move in opportunity.

Entering the house an entrance hall opens up to the cosy and appealing living room with luxury vinyl flooring, large window to front aspect and an open fireplace. The space has then been cleverly opened up to provide seamless access into a dining area which connects wonderfully to the recent extension. This area has a brand new high quality fitted kitchen with integrated oven, hob, extractor and washing machine with a real feature being the stunning roof light window above pouring in natural light. Located back off the living room next to the staircase is a stunning brand new shower room with gorgeous fittings, walk in shower, heated towel rail and designer tiling. Stairs rise to the first floor where you will find two bedrooms, the master being a very generous double with integrated storage and two windows to front aspect. The second bedroom to the rear is a small double or large single again with integral storage and a window to rear aspect. The property has newly fitted electric heating, double glazing and has benefitted from a full re-wire.

Outside there is a surprisingly large fully enclosed rear garden with a great deal of privacy and enjoying sun through the day thanks to its raised position. This area has been cleared ready for someone to put their own stamp on the garden but there is so much potential with the surrounding stone walls being a very nice feature. With regards to parking the property is in a TZ1 residents parking zone allowing each property access to permits to allow for on street parking nearby for two cars and visitors – ask for details on pricing.

This is a stunning renovation where care and attention to detail is apparent at every turn. Available with no onward chain and absolutely recommended.

The property is located on Richmond Hill - you are incredibly close to town here being less than a 5 minute walk from the city centre hustle and bustle whilst being conveniently placed for Truro train station nearby.
