Clive Road

A substantial three-bedroom period home with generous proportions, plenty of original character and scope for further updating.

The ground floor opens with a traditional entrance hall leading into a spacious front living room with a large bay window, decorative stained-glass detailing, fireplace and high ceilings. This flows through to a second sitting area, creating an impressive amount of reception space. To the rear is a separate kitchen with wooden worktops and range-style cooker, alongside a particularly generous dining room with French doors opening onto the garden. A useful utility area completes the ground floor. Outside, the property has an enclosed rear garden with access directly from the dining room.

Upstairs are three well-proportioned bedrooms, including a particularly large principal bedroom to the front with bay window. The first floor also includes a spacious family bathroom with bath and overhead shower, together with additional storage.

Situated on Clive Road in Canton, the property is well placed for the independent shops, cafés, bars and restaurants of Canton and nearby Pontcanna, with Victoria Park and Thompson's Park also within easy reach. Cardiff city centre is readily accessible, making this a particularly convenient location for both everyday amenities and commuting.
