WHAT'S GREAT?

Offering a fantastic blend of period character and modern living, this attractive two-bedroom Victorian terrace is situated in a popular and convenient part of Burton Latimer. Well maintained throughout, the property provides generous accommodation, a good-sized rear garden and a number of features that make it an ideal first home or investment opportunity.

The property opens into a welcoming lounge/diner, where high ceilings and traditional features combine with plenty of natural light to create a comfortable and sociable living space. A log burner provides an attractive focal point and adds a cosy feel, particularly during the cooler months.

To the rear, the galley-style kitchen has been designed with practicality in mind, offering a good range of modern wall and base units, integrated appliances and useful worktop space. From here, there is access to the rear garden and the space is full of natural light!

Upstairs, there are two well-proportioned double bedrooms. The master bedroom benefits

from fitted wardrobes, providing excellent storage without compromising on floor space, while the second bedroom offers plenty of flexibility for family, guests or those working from home.

The modern four-piece family bathroom is a particular highlight, offering a contemporary finish and comprising a bath, separate shower, wash hand basin and WC.

Outside, the rear garden is a good size and offers plenty of scope for outdoor entertaining, relaxing or gardening. There is also useful storage, making it easy to keep garden equipment, bikes and outdoor essentials neatly tucked away.

With its combination of Victorian charm, spacious rooms and modern enhancements, including a log burner, fitted wardrobes and refitted bathroom, this is a home that offers both character and practicality in a desirable Burton Latimer setting.
