DESCRIPTION

This three-bedroom semi-detached house is for sale in a residential area of south Bristol, well placed for public transport, schools and local amenities.

The property is presented in good condition and has been extended. The main lounge/diner is a light and airy space, ideal for everyday living and dining. An extended kitchen benefits from natural light and offers access to a second reception room, which in turn opens via patio doors to the enclosed rear garden, creating a practical layout for families. A further reception space, formerly the garage, is now split to provide a study area with access to a remaining garage section used for storage.

Upstairs, there are three bedrooms: two doubles and one single, suited to families or first-time buyers wanting flexible sleeping or home-working space. The accommodation is served by a modern family bathroom. Externally, the property offers off-street parking to the front and an enclosed rear garden, providing outdoor space for relaxation or play. The property is offered with no onward chain.

The house sits within reach of schools serving the Stockwood/Whitchurch area, as well as local shops and everyday amenities. Nearby parks and green spaces around south Bristol offer walking routes and recreation. Public transport links provide regular bus services into Bristol city centre, with onward rail connections from Bristol Temple Meads towards Bath, Cardiff and London.
