The property has been thoughtfully maintained and improved, with all bedrooms configured as doubles and a particularly impressive first floor living space enjoying a southerly aspect. The ground floor is centred around a full-width kitchen/dining room, a bright and sociable space with double doors opening directly onto the rear garden.

The kitchen is fitted with a comprehensive range of contemporary units, complemented by generous work surfaces and a selection of integrated appliances, including a recently installed AEG dishwasher. There is ample space for a dining table, while the overall layout is well suited to both everyday living and entertaining.

A separate utility room provides additional storage and laundry space, and a cloakroom is positioned off the hallway. Internal access leads to the integral garage, offering further practicality.

ACCOMMODATION:

On the first floor, the sitting room extends to over 19' in width, forming an excellent principal reception space with two sets of double doors opening onto a south-facing balcony. From here there are attractive open views towards Graylingwell Chapel and the surrounding green, creating a strong sense of space and outlook. Also on this floor is a generous double bedroom served by a nearby bathroom, offering flexibility for guests or alternative use.

The second floor provides two further well-proportioned double bedrooms. The principal bedroom benefits from a walk in wardrobe and a modern ensuite shower room, while the remaining bedroom is served by a further contemporary ensuite shower room. The proportions throughout are notably comfortable, with good natural light and practical storage incorporated across each level.

Outside, the rear garden has been attractively landscaped for ease of maintenance, with a paved terrace ideal for alfresco dining and a variety of established planting adding colour and interest. To the front, there is driveway parking in addition to the integral garage.
