THE PROPERTY

Set within a much sought-after residential area just a short stroll from the heart of the village, this family home offers generous, versatile living accommodation ideal for modern life. Thoughtfully laid, the property combines comfort and space across two floors.

Step into the covered vestibule and then the bright and spacious entrance hallway follows. To the front, you'll find the first of the large receptions. This has served a multitude of purposes over the years and really does sum up the term versatile. To the rear, a separate sitting room offers a more private retreat, overlooking the back garden. The heart of the home is the expansive kitchen/diner, complete with a large range of units, integrated appliances, generous worktop space, and a central island. French doors lead out to the garden, seamlessly connecting indoor and outdoor living spaces. The utility room provides practical additional storage and laundry space, with external access to the garden. Also on the ground floor is a well-proportioned study—ideal for home working—and a cloakroom/WC.

Upstairs, the home continues to impress with four generously sized double bedrooms, two with build in wardrobes. The principal bedroom benefits from its own modern en-suite shower room, as does bedroom two, offering comfort and privacy for guests or older children. Bedrooms three and four share a sleek and spacious family Jack and Jill style bathroom.

To the front, the home is framed by a well-maintained garden enclosed by mature hedging, with lawned areas and a path leading to the entrance. To the side, a large private driveway provides off-road parking for at least four vehicles and leads to a detached double garage with side access—offering excellent storage or workshop potential. The southerly-facing rear garden is a standout feature. Designed for both relaxation and entertaining, it includes a generous lawn, a paved patio area, and an expansive sun deck—ideal for alfresco dining, summer barbecues, or simply unwinding in the sun.

A particularly feature of the development is the Millennium Green at the entrance, which provides a lovely open space. Liphook itself provides great facilities including Sainsburys supermarket, doctors and dentist surgeries and a library. There is a wide selection of pubs and eateries, and the recently opened Living Room Cinema. The main line station serves the Portsmouth to London Waterloo main line. The area has an excellent choice of state and private schools including Bohunt Academy, Highfield School, and Churcher's College. The village is surrounded by many acres of fine countryside, much of which lies within the South Downs National Park.
