## DESCRIPTION

Tucked away on a desirable end corner plot within the exclusive Daneside Park development, this impressive four-bedroom detached home offers modern family living in a peaceful, semi-rural setting. Built just six years ago by Wain Homes to a high specification, the development comprises only forty-five properties and enjoys a prime position just 1.5 miles from the town centre, surrounded by greenery, mature woodland, and close to the River Dane with scenic countryside walks nearby. A children's play area directly opposite further enhances its appeal for families.

The property is beautifully presented throughout, beginning with a welcoming entrance hall leading to a spacious lounge featuring a walk-in bay window. To the rear, the heart of the home is the open-plan dining kitchen, complete with a central island and French doors opening onto the garden, alongside direct access to a separate utility room. A convenient downstairs WC completes the ground floor.

Upstairs, there are four well-proportioned bedrooms, with both the principal and second bedrooms benefitting from their own en suite facilities. The main bedroom also features fitted wardrobes, while a stylish four-piece family bathroom serves the remaining bedrooms.

Externally, the south-west facing rear garden is thoughtfully designed, offering a paved patio, lawned area, and an additional seating space with pergola—perfect for outdoor entertaining. There is also useful side access providing space for a storage shed, adding further practicality.

This is a superb opportunity to acquire a modern, high-quality home in a tranquil yet

well-connected location, ideal for growing families.
