The Interior

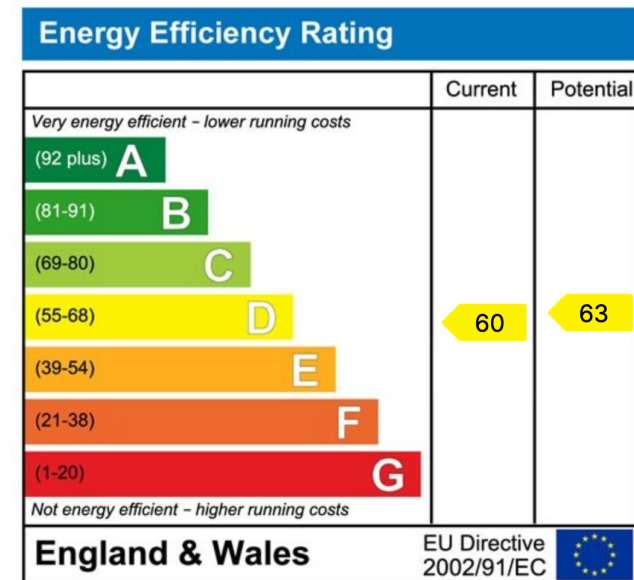

Approached via a private gate and pedestrian pathway, you wouldn't know this home was here! Salem Cottages immediately feels private and tucked away. The front of the property is a quiet oasis, which has been landscaped and scattered with shrubs. The front door opens into a welcoming and airy entrance hall, complete with wooden flooring, vertical radiator, understairs storage and a convenient ground-floor WC. Stairs rise to the first floor, setting the tone for the space and flow throughout the home.

To the right of the hallway sits the lounge, a cosy yet elegant room overlooking trees and woodland to the front, creating a tranquil outlook, set with flagstone flooring emphasising the country feel, the perfect place to relax while double doors connect through to the open-plan living space at the rear, allowing the home to flow beautifully.
