### Full description

The Perfect Setup for Busy Family Life Step inside this deceptively large family villa and discover a home designed to adapt to your lifestyle. The welcoming entrance hallway guides you into a bright, generous front lounge-ideal for cosy family movie nights. Towards the rear, the ground floor flows into a second independent sitting room and a formal dining space, both featuring patio doors that slide open directly to the garden. Whether you need a dedicated children's playroom, a quiet teenage hangout, or an expansive entertaining zone, this ground-floor configuration offers it all.

The practical, family-sized kitchen is supported by a separate utility room to keep laundry out of sight, complete with direct outdoor access to easily hang washing or clean up after muddy outdoor adventures.

**Flexible Bedroom Layouts & Future Potential** With four substantial double bedrooms spread across two floors, this property is perfect for multi-generational living or families wanting flexible space. The ground floor features two bedrooms (including one with a private en-suite) alongside a main family bathroom. Upstairs, you will find two further large double bedrooms and an additional WC to handle the morning rush.

Need even more space? The vast, fully floored loft comes equipped with massive potential, standing ready for a straightforward conversion into a sprawling master suite, a home cinema, or a dedicated games room as your kids grow.

**Safe Outdoors & Practical Parking** The outdoor areas are built with security and low maintenance in mind. The rear garden features clean monoblock paving enclosed by a secure gate, creating a safe, worry-free environment for young children to play outside or ride scooters. The side garden offers a classic green lawn with a slabbed patio path, while the neat front garden is beautifully bordered by mature trees and shrubs. A long driveway provides ample off-street parking, leading to a detached garage at the rear for extra storage or vehicle security.

An Unbeatable Location is everything for a growing family.
