Arranged over two floors, the property is approached via a flight of steps leading to a canopied entrance. The entrance opens directly into the sitting room, which provides a comfortable reception space and benefits from a window enjoying the elevated views. Stairs rise to the first floor.

The stylish and modern kitchen has been recently re-fitted and provides a practical and contemporary space.

Upstairs, the first floor landing provides access to two well proportioned bedrooms and the family bathroom, along with a hatch to the loft. Bedroom one benefits from two fitted wardrobes together with a useful built-in storage cupboard, providing excellent storage. Bedroom two provides a further comfortable bedroom space with views over the rear garden.

The bathroom is fitted with a white suite comprising a low level W/C, pedestal wash hand basin and bath with shower attachment.

Design and Features

The property benefits from gas central heating and double glazed windows, together with a recently re-fitted modern kitchen. The elevated position and attractive outlook are particular features, while the generous corner plot provides a degree of outside space rarely associated with properties of this type. The property is considered ideal for buyers seeking a home with the opportunity to make their own improvements and add their own personal style.

Gardens and Grounds

The garden is of particular note, being considerably larger than average for this type of property occupying a generous corner plot.

A substantial area to the side is predominantly surrounded by mature trees, with a lawned bank rising towards the rear. A pathway leads from the front of the property around the side and through to the rear garden. There is useful space for a garden shed, together with a covered log store.

The rear garden slopes upwards and is mainly laid to lawn, with further mature trees and established shrubs providing a good degree of privacy and creating an attractive natural setting. The combination of lawn, mature planting and the elevated position gives the gardens considerable potential for those looking to create an attractive outside space.

Parking

The property benefits from off road parking to the front for two vehicles.
