From the hallway is the luxurious modern kitchen, with notable features including centralised island housing the induction hob, a full height and integrated fridge and freezer, Neff double oven and warming drawer, ample cabinets and granite worktops with waterfall edging.

The kitchen has been opened up into the dining space to create an open plan feel, while retaining well defined spaces. Both the kitchen and the dining area have large windows overlooking the front and the side of the property. Also from the kitchen is a separate utility

space with lots of additional storage and side access to the garden.

On the first floor are four double bedrooms and a family bathroom. The primary bedroom has an en-suite shower room, a large integrated wardrobe and views over the garden. Down the landing, which itself has further cupboard space, is bedroom four which is a smaller double and also includes integrated wardrobe. Bedroom 3 is a large double and bedroom 2 spans the depth of the property with double integrated wardrobes.

The family bathroom has been stylishly modernised and is fully tiled with bath, shower, wall-hung WC, vanity unit and underfloor heating.

The garden has been landscaped and thoroughly well looked after. There is a large lawn, mature trees offering excellent privacy, a sunny patio and flower beds to the side with a gate access for bins. There is a large double garage with an electric door, which also houses the Worcester gas boiler. At the front of the property there is a small front garden with trees and off-road parking for 3-4 cars.
