The Property

An exceptional barn conversion extending to approximately 1,830 sq ft, tucked away within an attractive courtyard of just four exclusive homes and enjoying a beautifully landscaped private garden. Immaculately presented throughout, this impressive home has been thoughtfully enhanced by the current owners, including a striking oak staircase, replacement double-glazed windows, new carpets, and the addition of two sets of French doors to the sitting room, creating a seamless connection between the living space and the garden while filling the room with natural light. The well-proportioned accommodation offers excellent versatility and comprises a generous kitchen/dining room, an elegant sitting room, a separate family room, four double bedrooms, a stylish family shower room with underfloor heating, and a principal bedroom with en-suite facilities.

A substantial boarded attic provides excellent storage and presents exciting potential for further living accommodation, subject to the necessary planning permissions and building regulations.

Outside, the superb wraparound garden is a particular feature of the property. Beautifully landscaped with a generous lawn of approximately 15m x 10m, well-stocked flower and shrub borders, and a variety of established planting, it offers an idyllic setting for both relaxation and entertaining. A discreetly screened area behind the garage provides practical bin storage, composting facilities, and a useful potting shed/glasshouse, completing this outstanding outdoor space.

Many of the village's activities centre around the busy Village Hall, which has a large adjacent playing field with children's playground and the village cricket pitch. The neighbouring and vibrant market town of Malmesbury lies approximately two miles to the west and is widely regarded as England's oldest borough, with origins dating back to around 880 AD. The town is renowned for the magnificent Malmesbury Abbey, a beautiful 12th-century abbey, as well as the historic Malmesbury Market Cross dating from the 15th century. Its charming High Street offers unique, independent shops. There are lovely walks along the beautiful River Avon, fabulous cafes, restaurants, pubs and the oldest Hotel in England. It has a Waitrose supermarket, a regular farmers' market, a library, museum, leisure centre with pool, two primary schools and a 'High Performing Academy' secondary school. It is also home to the UK headquarters of Dyson. Nearby are the popular attractions of Westonbirt Arboretum and the Cotswold Water Park.
