Location

Yelvertoft is an attractive village surrounded by undulating Northamptonshire countryside. It is close to the nearby towns of Rugby, Lutterworth, Daventry and Northampton. Within the village is an award-winning delicatessen, an excellent primary school and a public house, The Knightley Arms. It falls in the catchment area for Guilsborough Academy secondary school, which is highly regarded and has an excellent Ofsted rating. There is also a wide range of independent schools in the area, including the world-renowned Rugby School, Bilton Grange Preparatory School, Spratton Hall, and Maidwell Hall. Health clubs, sports centres and tennis courts are all within easy access. Yelvertoft's geographical position, being centrally located, means it is well positioned for the commuter with excellent road networks linking to the M1, M6 and A14 and transport links, with Rugby and Northampton Railway Stations being easily accessible. Birmingham International airport is a 45-minute drive away.

Ground Floor

The front door with fan light above opens to a spacious entrance hall, with flagstone flooring, floor to ceiling fitted cupboards to one wall and doors to the ground floor accommodation. The kitchen/breakfast room is set over two levels with under floor heating and attractive, wooden floorboard effect tiling. There is a variety of shaker style kitchen wall and base units, with quartz worktops over, including display cabinets, cutlery and pan drawers, racking systems and display cabinets along with a seated breakfast bar area. Integrated appliances include a Neff single electric oven and Neff combination microwave oven and grill, dishwasher and induction hob with extractor fan over. There is also a housing unit with space for an American style fridge/freezer. From the kitchen, a door leads to an inner hall with an understairs storage cupboard from which, the snug can be accessed and features a Victorian style radiator. Doors from the snug lead to the dining room and the spacious utility, with tiled floor, further shaker style wall and base units and space for additional appliances. Double French doors provide access to the rear garden and stairs rise to the first floor. The cloakroom is accessed from the utility, also with tiled flooring along with a wash hand basin and WC and is an ideal area for storing coats and shoes. Running from the front to back of the property is the dining room, which leads up to the impressive sitting room. The dining area overlooks the front elevation and features attractive fitted units with glass shelving either side of the double doors, which lead back to the hall. There is an attractive, stainless-steel fireplace with slate hearth and a traditional cast iron radiator. Steps lead up to the sitting area which is flooded with light from the two Velux windows and the French doors overlooking the rear garden. The focal point of the room is an impressive fireplace with marble surround and slate hearth.

First Floor

A spacious landing has doors leading to three bedrooms and the family bathroom. The principal bedroom has dual aspect windows, an attractive feature fireplace with granite hearth, an impressive walk-in dressing room and a fully tiled en-suite, fitted with a shower with rainforest shower head and separate handheld shower, wash hand basin, WC and chrome heated towel ladder. There is a further double bedroom with fitted cupboards either side of a chimney breast, with feature fireplace. There is an additional bedroom with fitted wardrobes, currently being used as a study/home office. The spacious, split level family bathroom features attractive panelling to the walls, his and hers wash hand basins, bath, WC and separate shower enclosure.

Second Floor

The landing, with window over affording plenty of natural light, has a recess ideal for a desk or work from home area. There is useful under eaves storage, concealed behind panelled doors, and two spacious bedrooms either side of the landing, one with a-frame beam and the other with exposed painted timbers.

Outside

A private block paved drive leads to brick-built garage accessed via double electric gates. The garage is fitted with an electric car charger. The rear garden is mainly laid to lawn, with a recently laid, contemporary grey composite decked area to the side and front of the garage which provides an ideal space for outdoor dining and entertaining. There is a pergola, patio area and raised planted bed.
