A great opportunity to purchase this large, 18th Century double bayed and double fronted period property that is not listed but is within the conservation area in 'Old Town' which offers great scope for improvement and possible further development. The property has many original features, sash windows, oak panelling and a double cellar. There are technically four bedrooms, two on the first floor and two on the second floor however the second floor bedrooms do interlink so provide the potential for a bedroom and a dressing room if preferred.
