PROPERTY DESCRIPTION

This lovely townhouse has been thoughtfully upgraded by the current owners to include recently upgraded kitchen and bathrooms. There are superb views to both the marina and the harbour from the South West facing balcony.

As you approach the property you find driveway parking and the car port which is secured by electronic gates.

On the ground floor you will find the entrance hall, with doors leading to the recently refitted cloakroom/utility with plumbing for the washing machine. The kitchen/breakfast room was refitted 7 years ago but only last year had all new Wren light grey shaker style cupboard doors with contrast black worktops. There are built in appliances to include ceramic hob, electric oven, dishwasher, and fridge/freezer.

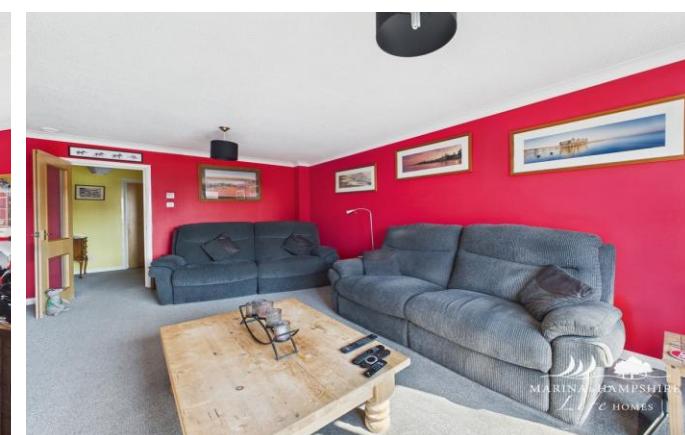

On the first floor you will find the living room and Bedroom Two. The living room really is the focal point of the property - a lovely light, bright room with double glazed patio doors which lead out onto the South West facing balcony. From here you can sit and take in the views to the marina on your left and the harbour to your right. Bedroom two is a good size double room with 2 windows overlooking the rear garden and useful built in mirrored wardrobes.

From the second floor landing you will find doors to Bedroom 3, the family bathroom and the main bedroom. Bedroom 3 is a single room with built in storage cupboard. The bathroom has been upgraded with a white suite to include bath, sink WC and separate shower cubicle. The main bedroom is a large double room to the front aspect, offering views to the marina and harbour. There is a double mirrored built in wardrobe and door to the ensuite. The ensuite is fitted with large shower cubicle, WC and sink, inset into vanity unit.

To the rear of the property the generous garden is laid to patio with fenced side and brick wall to the rear, offering security, privacy and a low maintenance outside space.

The property comes complete with Hik Vision door entry system, CCTV and a working alarm for your added security.
