17 Park Street

We are delighted to bring to the market this impressive four-bedroom semi-detached period property on Park Street, Scarborough.

The property is ideally positioned close to the Falsgrave area, local shops, schools, parks and transport links. The railway station, Falsgrave shopping centre, Scarborough town centre and South Bay are all within easy reach, making this a convenient location for a wide range of buyers. In our opinion, the property offers a lovely blend of period charm with contemporary comfort, retaining its character while providing modern fittings and style throughout.

The accommodation is arranged over three floors and briefly comprises a lounge, separate dining room leading through to the kitchen, utility room and downstairs WC. The first floor provides two double bedrooms and a large family bathroom, with a further two double bedrooms on the second floor. The top floor is particularly versatile and could work well for multi-generational living, a teenage retreat, guest accommodation or a home-working space, depending on the needs of the household.

Outside, there is gated access to a concrete driveway providing off-street parking, with a private garden to the rear.

In our opinion, this is an impressive and versatile home in a highly convenient location. We strongly

recommend an internal inspection to appreciate the space, character and flexibility on offer.
