Property

Stepping through the front door of this superbly located property we enter via the sitting room where the space offers a pleasant surprise and natural light pours in through a large window overlooking the front gardens. A feature fireplace commands a focal point to the room and although closed off, the fireplace and chimney remain intact and could be put back to use subject to a satisfactory inspection. A door to the rear opens to the kitchen/breakfast room. This space is fitted with a basic range of units with space provided for a new owner to design a kitchen of their choice. The sink is set below a window looking onto the courtyard whilst a door opens to the staircase. At the rear we find a lobby area that leads to the bathroom and the courtyard outside. The bathroom is fitted with a bath, wash basin and w/c. On the first floor the stairs rise into the main bedroom which offers superb proportions and enjoys the view to the front. A door opens to the rear bedroom which offers a slightly smaller double room. The front bedroom offers adequate space to create a landing to separate these rooms.

Outside

From Quaves Lane we pass the boundary wall via a gate that opens to the extensive south facing front garden. A path passes the lawns and leads us to the front door of the property whilst a range of established hedges and shrubs frame the garden. At the rear we step from the rear lobby out to the small courtyard area.
