1 Woods End, Dunholme, LN2 3FT
£435,000

Evergreen Cottage presents a superb opportunity to purchase a beautifully upgraded modern home, originally built by Newark based Ablehomes in 2001. This small, select development was designed to evoke a traditional countryside cottage feel, and this particular home has been transformed by the current owners since 2021. With a rigorous schedule of improvements including a new Howdens kitchen, electric gates, new windows and doors, and a modern boiler, this property offers "turn-key" living in a highly sought-after village location within the catchment area of William Farr C of E. The home opens into an inviting entrance hall with a practical understairs cupboard for coats and shoes. The heart of the home is the dual-aspect lounge, a bright and airy space featuring bespoke fitted cabinetry with ambient lighting, wood flooring, and French doors leading to the garden. Across the hall, the formal dining room offers a pleasant view of the front greenery and also features wood flooring. The stylish Howdens kitchen has been designed with high-quality cabinetry and premium AEG appliances, including a gas hob, oven, and integrated fridge-freezer. This space flows into a breakfast seating area overlooking the garden. Supporting the kitchen is a practical utility room with a recently serviced boiler (approx. 3 years old) and a convenient ground-floor WC with decorative tiled flooring. A spacious landing with loft access leads to four well-appointed bedrooms. The master suite is a standout feature, offering built-in wardrobes and a private, modern en-suite with a walk-in shower and vanity basin. Bedroom three also benefits from built-in storage, while the remaining bedrooms are served by a contemporary four-piece family bathroom featuring a bathtub and separate shower unit. The loft is mostly boarded with a pull-down ladder, providing excellent additional storage. The exterior is as impressive as the interior. The front overlooks a lush green space maintained by the Parish council, offering a sense of openness and privacy. A wide shared driveway leads to newly fitted double electric gates (Sep 2025), opening onto a secure private parking area and a substantial double garage. The garage is equipped with power, lighting, and a boarded loft space above; it has also been recently maintained with new gutters and springs in 2026. The rear garden is designed for low-maintenance entertaining, featuring artificial turf, patio areas, and a dedicated side space for a garden shed or log store. Situated in the desirable village of Dunholme, this home enjoys a peaceful position while being just a short walk from local essentials. Dunholme offers a highly-regarded primary school and it sits within the catchment area for the prestigious William Farr Secondary School in the neighbouring village of Welton, which provides further amenities including a medical centre, library, and a selection of traditional public houses.
