Locksbridge Pk Profile

Close enough to the town to be convenient, yet just far enough into the countryside to be away from the hustle and bustle, Locksbridge Park is a well-planned and designed new development built by Messer's David Wilson and Barratt homes. Just over a mile to the East of Andover is where you will find this development including a good mixture of property, ideally located close to the bustling town of Andover. Andover has enjoyed something of a renaissance in recent years four hundred years after its stagecoach origins, it is far from being just a commuter town. Andover is now considered by many to be a destination in its own right. The town now benefits from an eclectic mix of old-world charm and modern shopping convenience, as well as beautiful tea rooms and pubs, some dating back more than nine hundred years, supermarkets, craft galleries and interior design stores, which all border the breath-taking countryside of the Test Valley - 250 square miles of easily accessible natural beauty, which includes the world-renowned River Test. Please note that as with most modern housing developments, this property may have a minimal yearly "estate charge". Please ask for further information.
