Development at Bromwich Mews

Worcester, WR2 4AU

Andrew Grant

Development at Bromwich Mews

187a Bromwich Road, Worcester, WR2 4AU

2 Bedrooms 1 Bathroom 1 Reception Room

An individual development opportunity with full planning permission for a detached two bedroom home, garden and parking for two vehicles.

- The development occupies a brownfield plot of approximately 203 sq m, formerly used as vehicular access to the rear of Venture Business Park.
- Full planning permission granted under reference 20/00646/FUL for a detached two bedroom home, with works commenced within the permitted timeframe.
- The ground floor comprises an entrance porch and hall, living room, kitchen with dining space and a separate WC.
- Two bedrooms, a family bathroom and an airing cupboard are arranged across the first floor.
- Plans provide a lawned rear garden, paved patio, gated side access, bin storage, retained side boundaries and new post and panel fencing to the rear.
- The approved plans provide for a tarmac driveway with parking for two vehicles, accessed from Bromwich Road, together with a reinstated footpath, dropped kerb and level access to the main entrance.
- Positioned on Bromwich Road approximately 1.5 miles south west of Worcester city centre, the development combines residential surroundings with convenient access to city amenities.

2185 sq ft (203 sq m) plot

The proposed development

Bromwich Mews occupies a brownfield site formerly used as the rear vehicular access to Venture Business Park. Extending to approximately 203 sq m, or 0.05 acres, the plot benefits from full planning permission under reference 20/00646/FUL for the erection of a single detached two bedroom home facing Bromwich Road.

The approved design incorporates red facing brickwork with blue brick soldier course and sill detailing, concrete interlocking roof tiles, white PVCu double glazed windows, a white PVCu rear door and a dark grey composite entrance door with a white frame.

The garden and parking

The approved site plan provides a lawned rear garden with a patio and matching paved path along the side of the home. Gated pedestrian access is proposed along the northeastern elevation and existing fence lines to the north and south are retained, with new 1.8 metre post and panel fencing proposed along the rear boundary. A new tarmac driveway provides parking for two vehicles, with access from Bromwich Road and a reinstated footpath with a dropped kerb.

Location

Bromwich Mews occupies a residential position on Bromwich Road, approximately 1.5 miles south west of Worcester city centre. The setting offers convenient access to the city's broad range of shopping, leisure and everyday amenities, together with schools and public transport options throughout the surrounding area. Worcester provides a combination of historic character, riverside spaces and modern facilities, while established road connections place neighbouring towns and the wider Worcestershire countryside within reach. The development provides an opportunity to create a new home within an established residential neighbourhood while remaining well placed for the city centre.

Services

The proposed development is intended to connect to mains electricity, water and drainage. Prospective purchasers should make their own enquiries regarding the availability, location and cost of connections.

Broadband Speed: Ultrafast broadband available in this area. Download speeds up to 1800 Mbps and upload speeds up to 1000 Mbps (source: Ofcom checker).

Mobile Coverage: Likely available from EE, Three, Vodafone and O2 (source: Ofcom checker).

Flood Risk (Long-term forecast): According to the Environment Agency's long-term flood risk data, the property area is currently at very low for river and surface water flooding.

Council Tax

A Council Tax band has not yet been assigned to the proposed property.

Agent Note

The site requires clearance and the images have been enhanced to illustrate the plot and proposed development more clearly. Works have commenced and confirmation has been received from the local authority that the planning permission remains valid. Computer generated images are for illustrative purposes only and represent an interpretation of the approved plans. Please contact the office for further information and copies of the relevant planning documents.
