Property Description

Positioned within a desirable residential setting on Mayland Road, this exceptional newly constructed seven-bedroom semi-detached residence extends to approximately 4,300 sq ft, offering an outstanding blend of contemporary design, versatility and high-quality family living. Thoughtfully designed across three floors, every aspect of the home has been carefully considered to create an environment equally suited to large families, multi-generational living or co-habitation. The ground floor immediately impresses with its generous proportions and flowing layout, enhanced by underfloor heating throughout. A welcoming living room provides an elegant retreat, while a separate gym/home office offers valuable flexibility for modern lifestyles. The heart of the home is the magnificent open-plan kitchen, dining and family room, beautifully designed for everyday living and entertaining, with expansive glazing opening directly onto the landscaped rear garden to create a seamless connection between inside and out. Complementing the principal kitchen is a separate preparation kitchen, providing additional workspace and practicality for larger households and those who enjoy entertaining. A ground floor bedroom with its own ensuite offers excellent flexibility for guests or independent family members, while a stylish guest WC and tranquil internal Zen garden further enhance the home's unique appeal. The first floor comprises four exceptionally well-proportioned bedrooms, each benefitting from its own private ensuite together with individual air conditioning and heating units, providing comfort and independence for every occupant. The second floor has been intelligently designed with two separate staircases leading to two further bedroom suites, each complete with ensuite facilities and built-in storage. This unique arrangement creates an ideal level of privacy, making these rooms particularly suited to older children, extended family members or long-term guests. Externally, the property continues to impress with a beautifully landscaped rear garden offering generous outdoor space for relaxation, entertaining and family enjoyment. The contemporary architecture and carefully considered layout combine to create a home that is as practical as it is visually striking. Offering over 4,300 sq ft of beautifully appointed accommodation, seven ensuite bedrooms and exceptional flexibility throughout, this outstanding home represents a rare opportunity to acquire a truly bespoke family residence within one of Birmingham's most desirable locations.

As a bespoke independent developer, the vendor may also consider a part exchange, presenting an attractive opportunity for prospective purchasers.

Area

Mayland Road occupies a desirable residential position just off City Road, within a well-established Edgbaston setting ideally placed for both Edgbaston Village and Harborne. This sought-after location offers an excellent balance of peaceful residential living and everyday convenience. Edgbaston Village provides an excellent selection of independent cafés, restaurants and lifestyle amenities, while nearby Harborne High Street offers further shopping, dining and everyday conveniences, including Waitrose and Marks & Spencer Foodhall. The Queen Elizabeth Hospital, University of Birmingham and the wider Medical Quarter are all within easy reach, making the area particularly attractive to healthcare professionals and academics. Birmingham city centre is readily accessible via excellent road and public transport links, while families benefit from a wide choice of highly regarded schools across Edgbaston and Harborne. Leisure facilities including Edgbaston Priory Club, Edgbaston Golf Club, Edgbaston Cricket Ground, the Harborne Walkway and Birmingham Botanical Gardens are all close by.
