In Detail

A beautifully finished two bedroom, two bathroom penthouse located in the heart of Crystal Palace and offering stunning uninterrupted City skyline views.

This high specification property forms part of a small low-rise boutique development quietly positioned on a side road - straight off of the central Triangle. The property was build completed approximately five years ago and is a distinctly unique marketing offering with uncommon features.

The accommodation totals 872 sq ft / 81 sq m is arranged over the second and third floor of the building, including two double bedrooms (one en suite) with fitted storage. The finishing of the bathrooms include marble tiling, contemporary stainless fittings and subtle mood lighting, whilst the main reception area extends to a generous 22ft with a Juliette balcony and solid oak flooring. The kitchen is socially open plan to the dining area and includes premium integrated Bosch appliances and high-gloss cabinetry. Stairs lead to a retractable glass skylight which unfolds onto a private 23ft sun deck, providing the most fabulous venue for alfresco dining with friends, or a place to unwind and take in the impressive sunsets. It's a true rarity to be able to overlook major London landmarks from a private retreat.

Beardell Street is a quiet residential road which is just a stones throw from everything that the bustling Triangle has to offer including independent shops and eateries, an Everyman cinema, and 200 acres of parkland at Crystal Palace Park. If transport links are a consideration then both Gipsy Hill and Crystal Palace rail links are easily accessible with direct trains to Canada Water and London Victoria.
