THE PROPERTY

Unexpectedly Re-Available

This beautifully presented four-bedroom detached home offers a perfect blend of modern comfort and practical living, ideal for families or those seeking extra space. With a thoughtfully designed layout across two floors, this property provides generous living areas, contemporary finishes, and excellent versatility. Furthermore, the property underwent significant upgrades when the current owners purchased the property, to include Karndean individually placed herringbone flooring throughout the ground floor.

Upon entering, a welcoming hallway leads to the spacious main living room, which offers a bright and inviting atmosphere—perfect for both relaxing and entertaining. A second reception room provides flexibility, whether as a snug, playroom, or even a home office. The modern kitchen/diner is a true highlight, featuring ample workspace and storage, while a separate utility room enhances convenience by keeping household tasks neatly tucked away. A downstairs WC adds further practicality.

Upstairs, the four well-proportioned bedrooms ensure comfortable accommodation for the whole family. The master bedroom boasts its own en-suite shower room, as does bedroom two, while the remaining bedrooms are served by the family bathroom, making busy mornings a breeze.

Externally, the property benefits from private outdoor space, offering a wonderful setting for al fresco dining or unwinding in the fresh air. Professionally landscaped, the rear garden further boasts a beautifully built, bespoke garden room/outdoor office space. Furthermore, there is additional garden space to the front, along with double garage and driveway.

Located in a sought-after area, the home is within easy reach of local amenities, schools, and transport links, making it an excellent choice for modern family living.
